

## **1810.06 Radiation Source Registration and Compliance**

Issued January 1, 1994

**SUBJECT:** Radiation Source Registration and Compliance.

**APPLICATION:** Executive Branch Departments and Sub-units.

**PURPOSE:** To ensure that agencies are aware of and comply with registration and compliance requirements of the Public Health Code, and with Ionizing Radiation Rules, which provide for safe use of ionizing radiation sources.

**CONTACT AGENCY:** Department of Public Health (DPH) - Bureau of Environmental and Occupational Health, Division of Radiological Health.

**TELEPHONE:** 517/335-8200

**FAX:** 517/335-8298

**SUMMARY:** Departments or Sub-units which manufacture, produce, transport, transfer, dispose of, acquire, own, possess, or use ionizing radiation sources, such as x-ray machines, particle accelerators, or naturally occurring or accelerator-produced radioactive material (NARM), must register such sources with the Division and comply with the ionizing radiation rules.

Registration of radiation machines is annual, and a fee is required. Registration of NARM is required initially, with no periodic renewal or fee. Compliance investigations are performed once every 5 years.

**APPLICABLE FORMS:** RH-555.
